# WEED FAMILY
## of
## STAMFORD and GREENWICH, CONNECTICUT

### First Generation

Jonas Weed, born in England about 1605, died in Fairfield, Connecticut in 1676; came to New England in the fleet with Sir Rishard Saltonstall and Governor Winthrop in 1630; first settled in Watertown, Mass. where he was elected Freeman May 18, 1631; removed to Wethersfield, Connecticut, in 1635; was one of the five members of the Watertown church dismissed in May 1635 to form a new church on the Connecticut River. His homestead in Wethersfield was a house and seven acres of land at the north end on the east side of what is now the High Street Common. It was so far north that at the present most of it is in the River on the adjacent flats. The public landing place was then there and the landing place was the west boundary. He sold this to Matthias Senison (St. John) and removed to Stamford about 1640-41; was a juror in 1639. From Stamford he removed to Fairfield where he died in 1676. His will, dated November 26, 1672, names children, wife Mary. The oldest Record spells his name Weede.

Authorities: Stiles-Adams, Ancient Wethersfield, Vol. 1, page 310; Vol. 2, page 758; Mende's History of Greenwich, Connecticut, page 179; Stamford Vital Record as in Huntington's Stamford Registration, corrected by the copy Stamford Vital Records in the Barbour Collection at the State Library, and by the same records in the American Genealogist for October 1933 and January 1934.

# WEED FAMILY OF STAMFORD AND GREENWICH, CONN.

Jonas Weed born in England about 1605; died in Fairfield, Conn. 1676; came to New England in the fleet with Sir Richard Saltonstall and Gov. Winthrop in 1630; first settled in Watertown, Mass. where he was made freeman May 15,1631; removed to Wethersfield, Conn. in 1635; was one of the five members of the Watertown church dismissed in May 1635 to form a new church on the Connecticut river. His homestead in Wethersfield was a house and seven acres of land, at the north end, on the east side of what is now the High Street common. It was so far north that at the present most of it is in the River on the adjacent flats. The public landing place was there then, and the landing place was the west boundary. He sold this to Mattias St John (Senison) and removed to Stamford about 1640-1; He was a juror in 1639. From Stamford he removed to Fairfield, where he died in 1676. His will dated Nov. 26,1672 names children. Had a wife Mary. Oldest records spell the name Weede.

Authorities: Stiles' Ancient Wethersfield vol.1; and vol. 2; Weede's History of Greenwich, Conn., p.179; Stamford vital records in Huntington's Stamford registration corrected by copy of Stanford Vital Records in the Barbour collection in the Conn. State Library and in the American Genealogist for Oct., 1933 and 1934.
